

**العمل عبادة
مبادرة حول تشغيل الشباب**

We thank every young person who attended and enriched our discussion with his valuable inputs, with his drawings that described openly, directly with great transparency the opinions, thoughts, fears of the youth towards the labour market.

We thank every business men and women, who participated and let us benefit from their wide experiences, who were patient to hear the voices of the youth and showed them their helping arms.

We thank all of you, who supported and believed in this initiative, we could not make it , only **through you, by you and for you**

Invitation

Date: Monday, July 28, 2009

Time: 18.00 o'clock

Place: El Kelma Hall – Sawy Culture Wheel

6th Gathering

Do the YOUTH know the real demand of the Labour Market

Under the auspices of the Culture Wheel, the “work is worship initiative” has the pleasure to invite you for the 6th gathering

HOW DO I SEE MYSELF

My Skills are they important?

My dreams are they important?

My acts are they important?

And what is more Do I have to consider..

Share learn and get employed

We are waiting for you...

To discuss, to argue, to hear you and try to find a “decent work” for you.

PS: Job Fair will be there
